

How to achieve an ICCF Title

1. Title Norms

As most people will be aware, ICCF awards Titles in recognition of players' achievements! Briefly, qualification for these Titles is dependent upon achieving Norms (linked to Ratings) in ICCF International Title events. Listed below are the various ICCF Titles with the minimum Rating performances required to achieve a Norm in each:

- Grandmaster - 2600
- Senior International Master - 2525
- International Master - 2450
- Ladies Grandmaster - 2300
- International Ladies Master - 2150

Note: Title Norms valid only in ICCF International Title events with at least 8 games.

2. How Norms are calculated

Title Norms are dependant upon Average rating of event e.g. Average Rating of 2401 is Category 7 whereas Average Rating of 2360 is only Category 5. With 15 players at Category 7, 8.0 points are required for a Norm for the International Master Title whereas, at Category 5, 9.0 points are required. Full details of norms for all Titles at all Categories of Tournament are listed in the "Title Norm Requirements" shown elsewhere on this site.

3. International Titles

The following requirements are taken from the ICCF Tournament Rules. The Full Tournament Rules can be found here:-
